Have had the same under consideration, and I am instructed to report the same back to the Senate, with the recommendation that it do not pass, but that the Committee Substitute Bill No. 281 do pass in lieu thereof, and be printed in the Journal, but not otherwise, and that the original bill be not printed.

DAVIS, Chairman.

Senate Committee Substitute Bill No. 281.

By Holbrook and Murphy:

A BILL

To Be Entitled

An Act making appropriation to the Live Stock Sanitary Commission of the sum of two hundred thousand dollars, or so much thereof as may be necessary, out of the general fund, not otherwise appropriated, to pay the State of Texas' one-half of such claim or claims as may be due for the loss or destruction of hay in Brazoria, Galveston and Harris Counties during the hoof and mouth epidemic of 1925, after same have been approved; and empowering and directing the Live Stock Sanitary Commission of Texas to investigate, hear evidence and approve or disapprove all claims; and declaring an emergency.

Be it enacted by the Legislature of the State of Texas:

Section 1. That there is hereby appropriated out of the general funds of the State, not otherwise appropriated, the sum of two hundred thousand dollars (\$200,000.00), or so

much thereof as may be necessary, to be paid to the Live Stock Sanitary Commission of Texas, for the purpose of reimbursing persons, firms, associations or corporations, for the loss or destruction of hay by and under direction of the Live Stock Sanitary Commission of Texas during the hoof and mouth epidemic in 1925 in Brazoria, Galveston and Harris Counties.

Sec. 2. That the Live Stock Sanitary Commission of Texas is hereby empowered and directed to investigate, hear evidence and approve or disapprove any or all claims for the loss or destruction of such hay, and that the State of Texas pay one-half of such claims so approved out of such funds herein appropriated.

Sec. 3. The fact that the above amount is due and in the interest of good public policy, and the further fact of the shortness of this session of the Legislature, creates an emergency, and an imperative public necessity that the constitutional rule requiring bills to be read on three several days be suspended, and that this Act take effect and be in force from and after its passage, and it is so enacted.

S. C. R. No. 7.

Senator Pollard sent up the following concurrent resolution:

By Senator Pollard:

Whereas, Our forefathers established by the Constitution of Texas, a University of Texas, for the benefit of the people of Texas, both the poor and the rich, in order that all might enjoy the benefits of a college education; and the Legislature of Texas declared in Article 2587, of the Revised Civil Statutes of Texas, that "The fee of admission to the University shall never exceed thirty dollars and it shall be open to all persons of both sexes in this State on equal terms, without charge of tuition, under the regulations prescribed by the regents, and to all others under such regulations as the board of regents may prescribe;" and during the school year of 1925-1926 and of 1926-1927, the University of Texas has collected admission fees of from fifty to one hundred dollars, which is in direct conflict and violation of the laws of Texas.

And Whereas, Article 4399 of the 1925 Revised Civil Statutes of Texas, designates the Attorney General the legal advisor and representative of all regents and trustees of educational institutions, which includes the University of Texas, thereby making it the express duty of the Attorney General of Texas to represent the University and give opinions to the University concerning all matters; yet the University is paying the Honorable W. A. Keeling four thousand dollars annually to advise it concerning legal matters, and has at various times employed other attorneys in lieu of the Attorney General, paying to the Honorable Charles Black a fee of \$2,500.00 and to the Honorable Dudley Woodard a fee of \$3,500.00, said fees being

paid out of the funds of the University of Texas.

And Whereas, The late Col. George W. Brackenridge, who was for more than twenty-five years a regent of the University of Texas, established a trust fund which resulted in the erection of Brackenridge Hall as a dormitory for worthy men students of the University of limited means where rooms could be secured at moderate prices, which Hall has been operated and maintained under the terms of the trust for more than thirty years, during which time one hundred and twenty men students have been beneficiaries of said trust each year.

And Whereas, It was the intention of the late Col. Brackenridge that the said B. Hall should be forever operated and maintained as a dormitory for worthy men students; and at the request of the late Col. Brackenridge in 1920, the board of regents rescinded an order abolishing B. Hall as a dormitory and it was understood by the beneficiaries of said trust that B. Hall should be forever maintained as a dormitory, yet the regents of the University by order in June of this year, without giving a hearing to the beneficiaries of said trust, converted B. Hall into an office building and withheld said information from beneficiaries until the day bids were to be opened for remodeling B. Hall, and on that day passed an order refusing a hearing to said beneficiaries and ordered said B. Hall converted into an office building, destroying said trust fund and failing to provide for its continuance in any way.

And Whereas, A suit was instituted by Percy P. Woodard, George R. Hefley and Roland Florey against W. M. W. Splawn and others in the district court of Travis County in which action and temporary restraining writ was granted on 13th day of July, 1926, restraining the University of Texas from converting B. Hall into an office building, and after said restraining writ was granted, the board of regents passed a resolution, unanimously, discharging Percy P. Woodard from his job of faculty mail carrier of the University and discharging George R. Hefley from his job of loan assistant in charge of the reserve library of the University, thus depriving the said students of their only source of revenue to pay their

way through school and denying them the inalienable right as American citizens to be heard before being discharged; it being admitted by all that the sole and only reason for their discharge was that the regents felt that the bringing of the said injunction proceedings as beneficiaries of said trust impugned the motives of the regents, as both of said students had given excellent satisfaction to their employers.

And Whereas, There are other matters should be looked into by the Legislature, including a rule passed by the regents which prohibits any faculty or student from bringing matters to the attention of the regents without the express consent of the president.

Now, Therefore, Be it Resolved by the Senate of Texas, the House of Representatives concurring, that a committee of five members of the Senate be appointed by the President of the Senate and three members of the House appointed by the Speaker to investigate the University of Texas in such a manner and pertaining to such conditions as the committee may, in its wisdom see fit, and that said committee be given all the powers now granted the district courts of Texas in conducting hearings and investigations; and that the Sergeant-at-Arms of the Senate be and is hereby given all powers given the sheriffs of Texas in serving subpoenas and otherwise serving the district courts of Texas, and he is hereby empowered to serve said committee as such officer; and that said committee be and is hereby authorized to investigate the University of Texas; and that said committee of the Senate and House be instructed to report back to the Senate and House its findings and such recommendations for the best interest of the University of Texas as it sees fit.

Simple Resolution No. 22.

By Senator Bailey:

Resolved that the following statistical Statement be printed in the Senate Journal:

Statement showing number of felony cases tried in Texas and results for a ten-year period ending August 31, 1926:

Trials, 27,012; Convictions, 23,002; Reversals, 1,308.

Figures were compiled from reports of district clerks. The law requires such reports, and that the Attorney General embrace the data in his biennial report to the Governor. The reports are not complete in that only part of the clerks made reports to the Attorney General.

The counties embraced in the reports and from which the above figures were obtained are as follows:

Two-year period ending August 1918, 208 counties.

Two-year period ending August 1920, 221 counties.

Two-year period ending August 1922, 147 counties.

Two-year period ending August 1924, 80 counties.

Two-year period ending August 1926, 166 counties.

From the figures mentioned, it appears that of each 100 cases tried, the result is approximately as follows:

Convictions, 85; Acquittals, 15; Appeals, 13; Reversals 5.

Other information is obtainable from the reports mentioned, such

as the number of indictments, dismissals, and the nature of the offenses. To embrace all would extend this statement too much, and additional facts obtainable from the public records mentioned will, when compiled, be embraced in another statement.

The foregoing relates to felony cases only. The data at present available, relating to misdemeanors, covers but four years, viz.:

1916 to 1918, 181 counties.

1918 to 1920, 161 counties, and discloses the following:

Trials, 32,090; Convictions, 28,046; Reversals, 184.

The misdemeanor reports do not include trials in justice and corporation courts, but only those in county courts of the counties reporting. The data touching appeals and reversals was compiled from the records of the Court of Criminal Appeals.

OLIN W. FINGER,

Clerk, Court of Criminal Appeals.

The resolution was read and adopted.

S. C. R. No. 8.

By Senator Woodward:

Resolved by the Senate of Texas, the House of Representatives concurring, that the first Called Session of the 39th Legislature of the State of Texas stand adjourned, sine die, at 5:00 p. m. on October 5, A. D. 1926.

The resolution was read and laid on the table subject to call.

Simple Resolution No. 23.

Senator Wirtz sent up the following resolution:

By Senator Wirtz:

Whereas, a number of committee rooms of the Senate are not properly furnished for use by committees of the Senate, and not more than three committee rooms are available for committee use and the use of the Senate members, and,

Whereas there are a great many committees of the Senate functioning during the regular session and it is highly desirable that all of the committee rooms adjacent to the Senate Chamber be fitted and furnished for use by Senate committees and members of the Senate in order to expedite the business of the Senate during the regular session,

Therefore, be it resolved by the Senate, that the Board of Control be requested to furnish all of the committee rooms of the Senate for use of Senate committees, and that said committee rooms be cleared of all other occupants and be properly fitted and in readiness for use by Senate committees and members of the Senate when the Fortieth Legislature convenes in regular session.

The resolution was read and adopted.
